## When we get a round to it

Simple meets elegant in this concrete wall lit up with moon lights. I image when the sun sets the atmosphere is wow.

By landscape architect

[Anthony Exter](#) in Los Angeles - obviously a globe guy - stroll through his site you'll see what I mean with circular clipped boxwoods and ceramic garden spheres in many of his landscapes.

whatever

[KansasCity.com](#) —More fatal gardening news—Sandra Corocari, 70, was run over while tending her daylilies, hostas and roses.
